

# SHARED LICENSED + UNLICENSED SPECTRUM

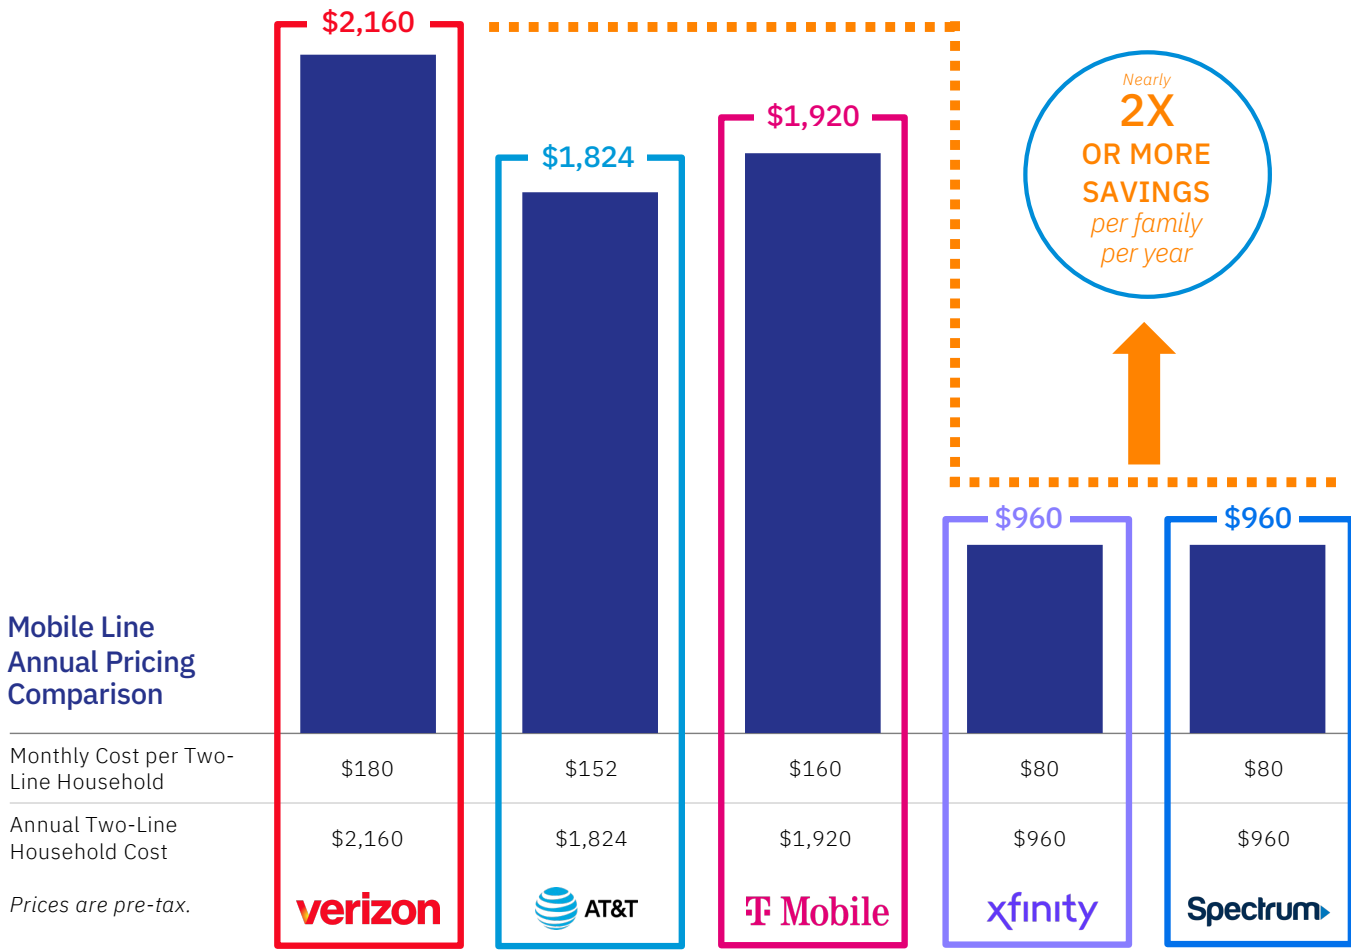

*Better for Competition, Better for Consumers*

When Americans choose their wireless carrier, **cost is their #1 consideration.**

Source: Opensignal, 4Q 2024 Survey

It's no wonder the **Big 3 Cellular companies** are aggressively lobbying Congress for **spectrum arrangements that would rig the system against their new competition** – companies that have lowered annual mobile costs for American families by ~\$1,000 or more.

Plan comparisons selected based on comparable mobile plans (Spectrum Mobile Unlimited Plus, Xfinity Mobile Unlimited Plus, AT&T Unlimited Extra EL, Verizon Unlimited Plus, T-Mobile Go5G Next). Prices from company websites as of 3/12/25.
